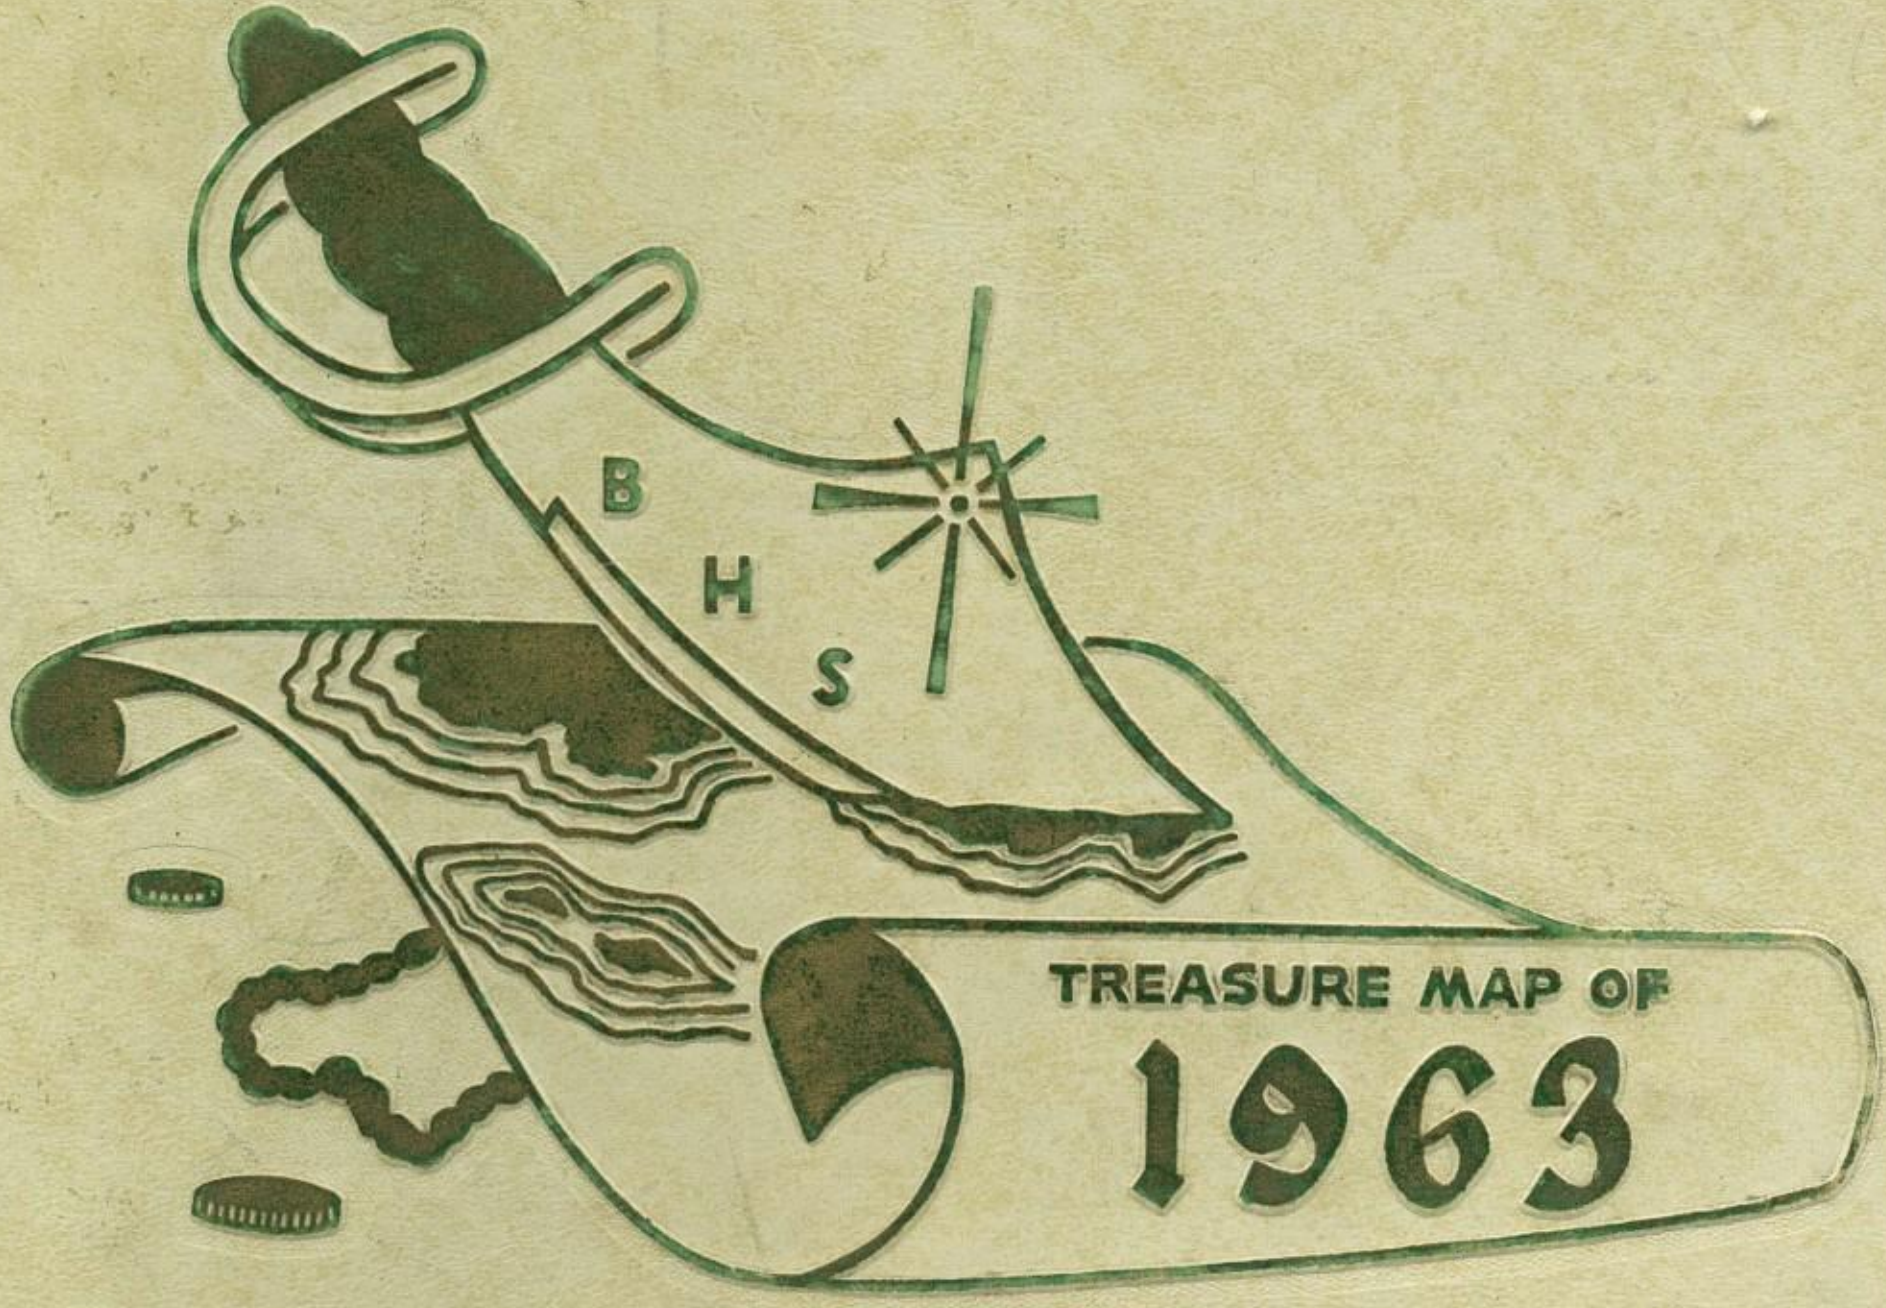
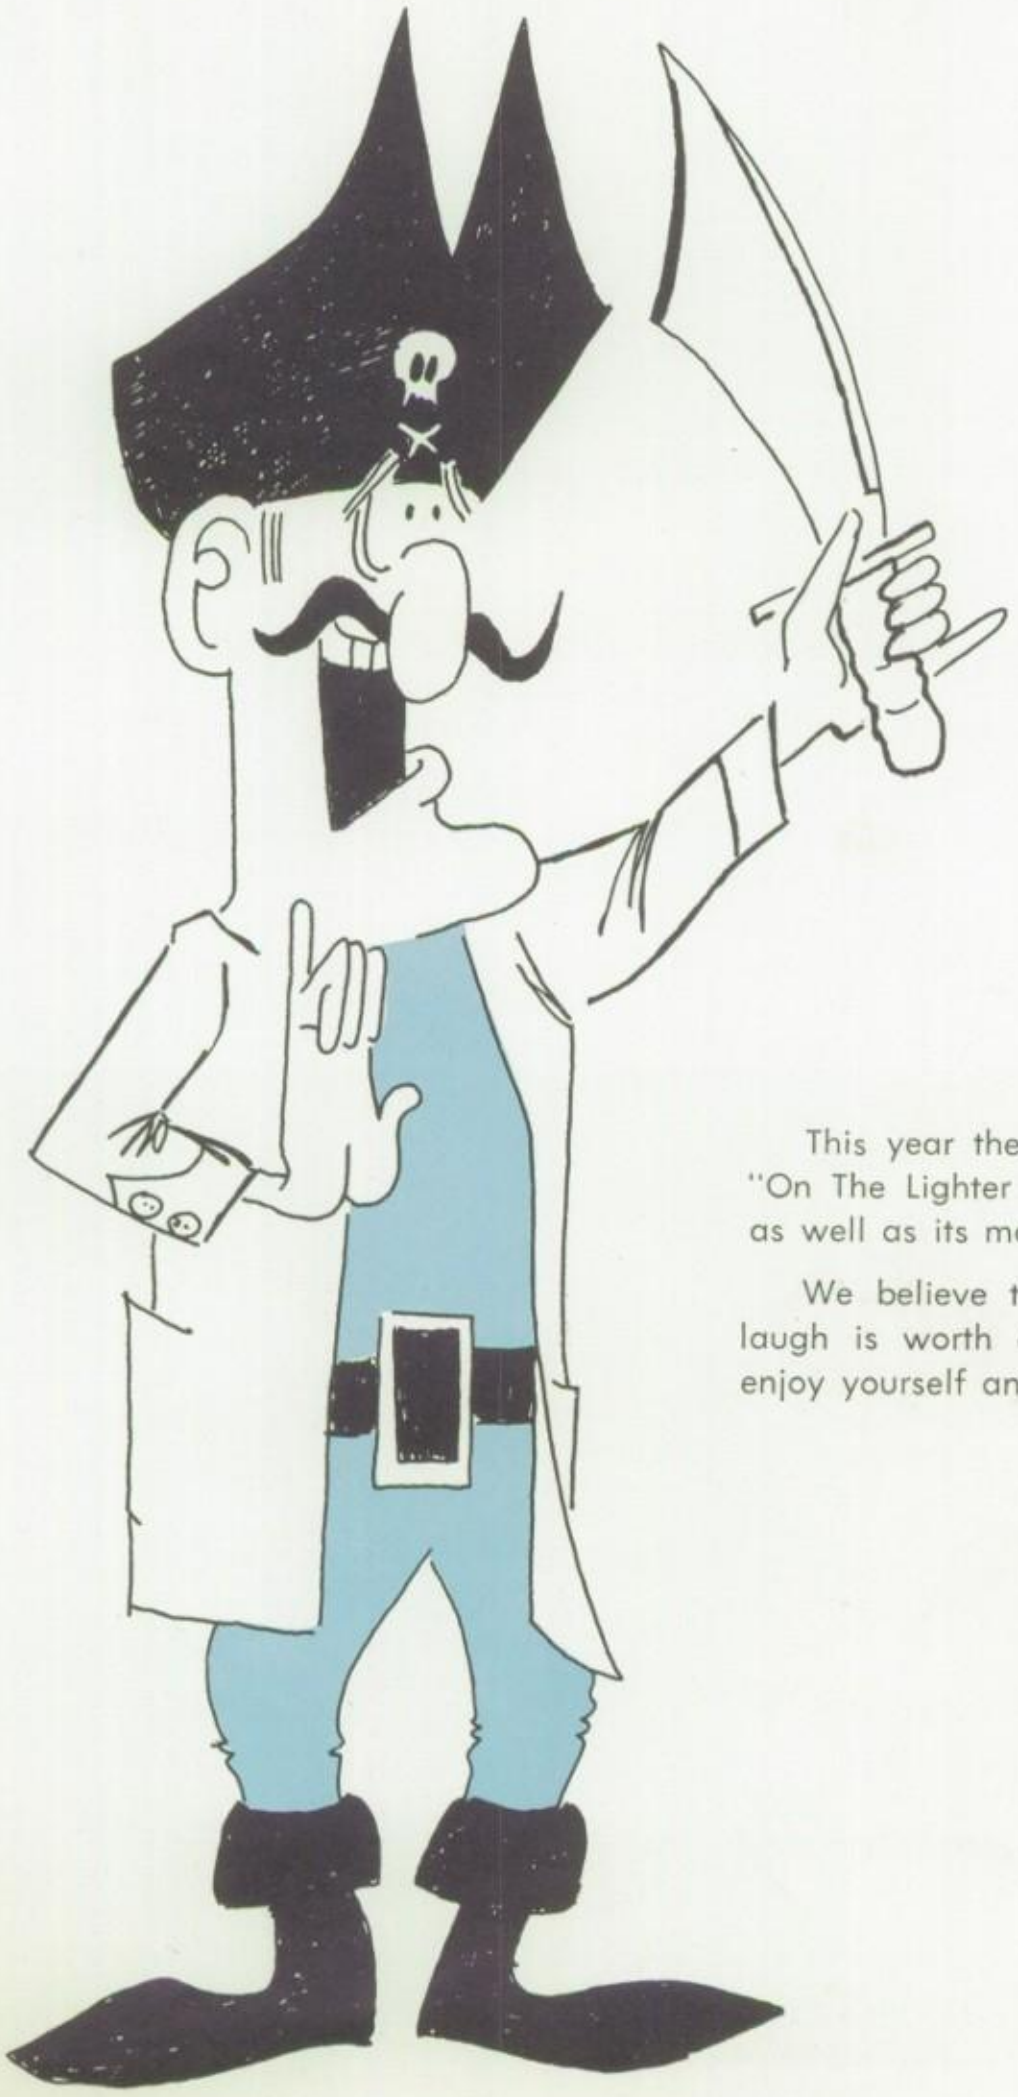
TREASURE CHEST



FOREWORD



This year the annual staff has selected for their theme "On The Lighter Side." We feel that school has its lighter as well as its more serious side.

We believe that in this world of hustle and bustle a laugh is worth a million dollars. So come on everyone, enjoy yourself and look on the lighter side.

Mr. Ken Davis, principal of Sub School A, has a great interest in Bellflower High School. He was one of the first teachers, and he served as BHS's first Varsity Football coaches when the school opened.

This year, Mr. Davis was awarded a life membership to the BHS Parent-Teachers organization. Judging for this award is based on the candidate's work with youth in school, community, church and PTA activities.

We, of the Annual Staff, proudly dedicate this year's Annual to you, Mr. Ken Davis.

BOARD OF EDUCATION

School spirit is the outgrowth of maturity, self reliance, and stability of the student body as a whole. Three events in particular this school year have evidenced growth: first, we experienced the fire which destroyed the science wing. During this period of adjustment, the orderliness the student body displayed was encouraging and helpful to the administration and faculty.

Second, immediately following the fire, many students requested permission to collect money to assist in restoring the building. It was decided that rather than collect money for this, a greater purpose could be served by an "all-out" United Fund Drive. And so, the second event raised the largest amount Bellflower High School had ever collected for the United Fund Drive. Third, and perhaps the most difficult because it extended over a long period of time, was the student campaign for a clean campus. This was the real test of school spirit, this was more than "soap box campaigning," this meant backbending to pick up litter which most likely you had not thrown on the campus.

Each school year renews and strengthens our faith in the youth of today — each year brings problems, some new, some old, but our student body never fails to rise to the challenge. We continue to grow because each succeeding year we learn more fully that we are responsible not only for our own actions but also for the actions of those with whom we associate; that sportsmanship is not confined to the athletic field, but is equally important on or off the campus, and in the classroom; that we must be flexible and adjust to change; and certainly we learn by sharing through our united efforts.

And so, the growth of the individual student is reflected in the growth of the school.

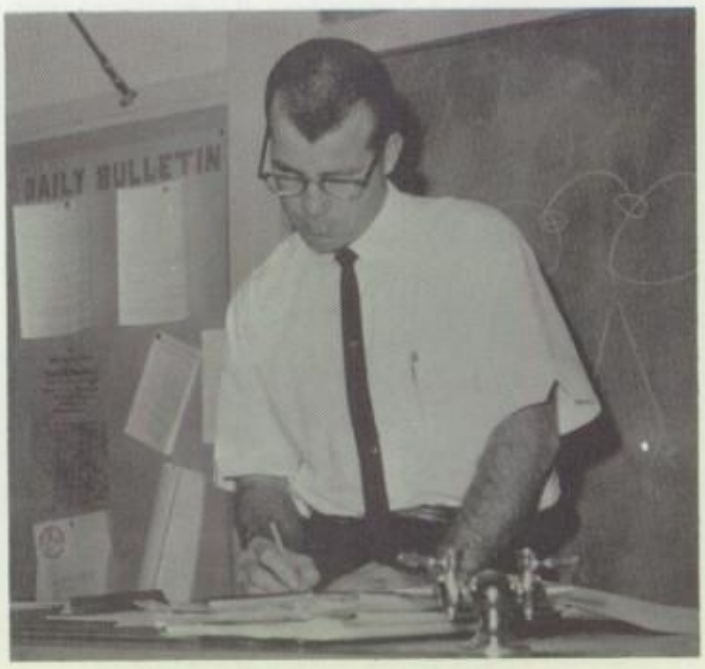
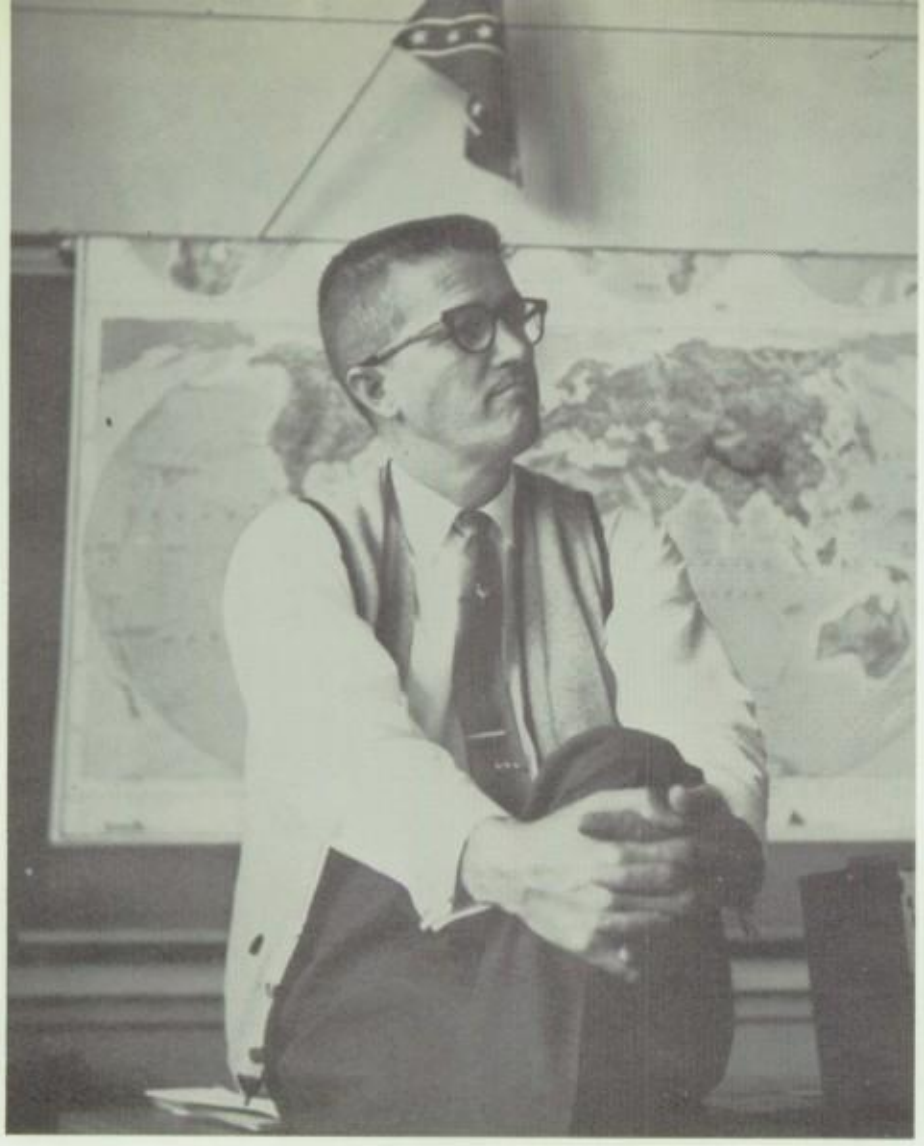
But I still don't understand why they keep trying to put the ball in that basket with the hole in it.



One more "F" for the book.



I still think the world is flat.

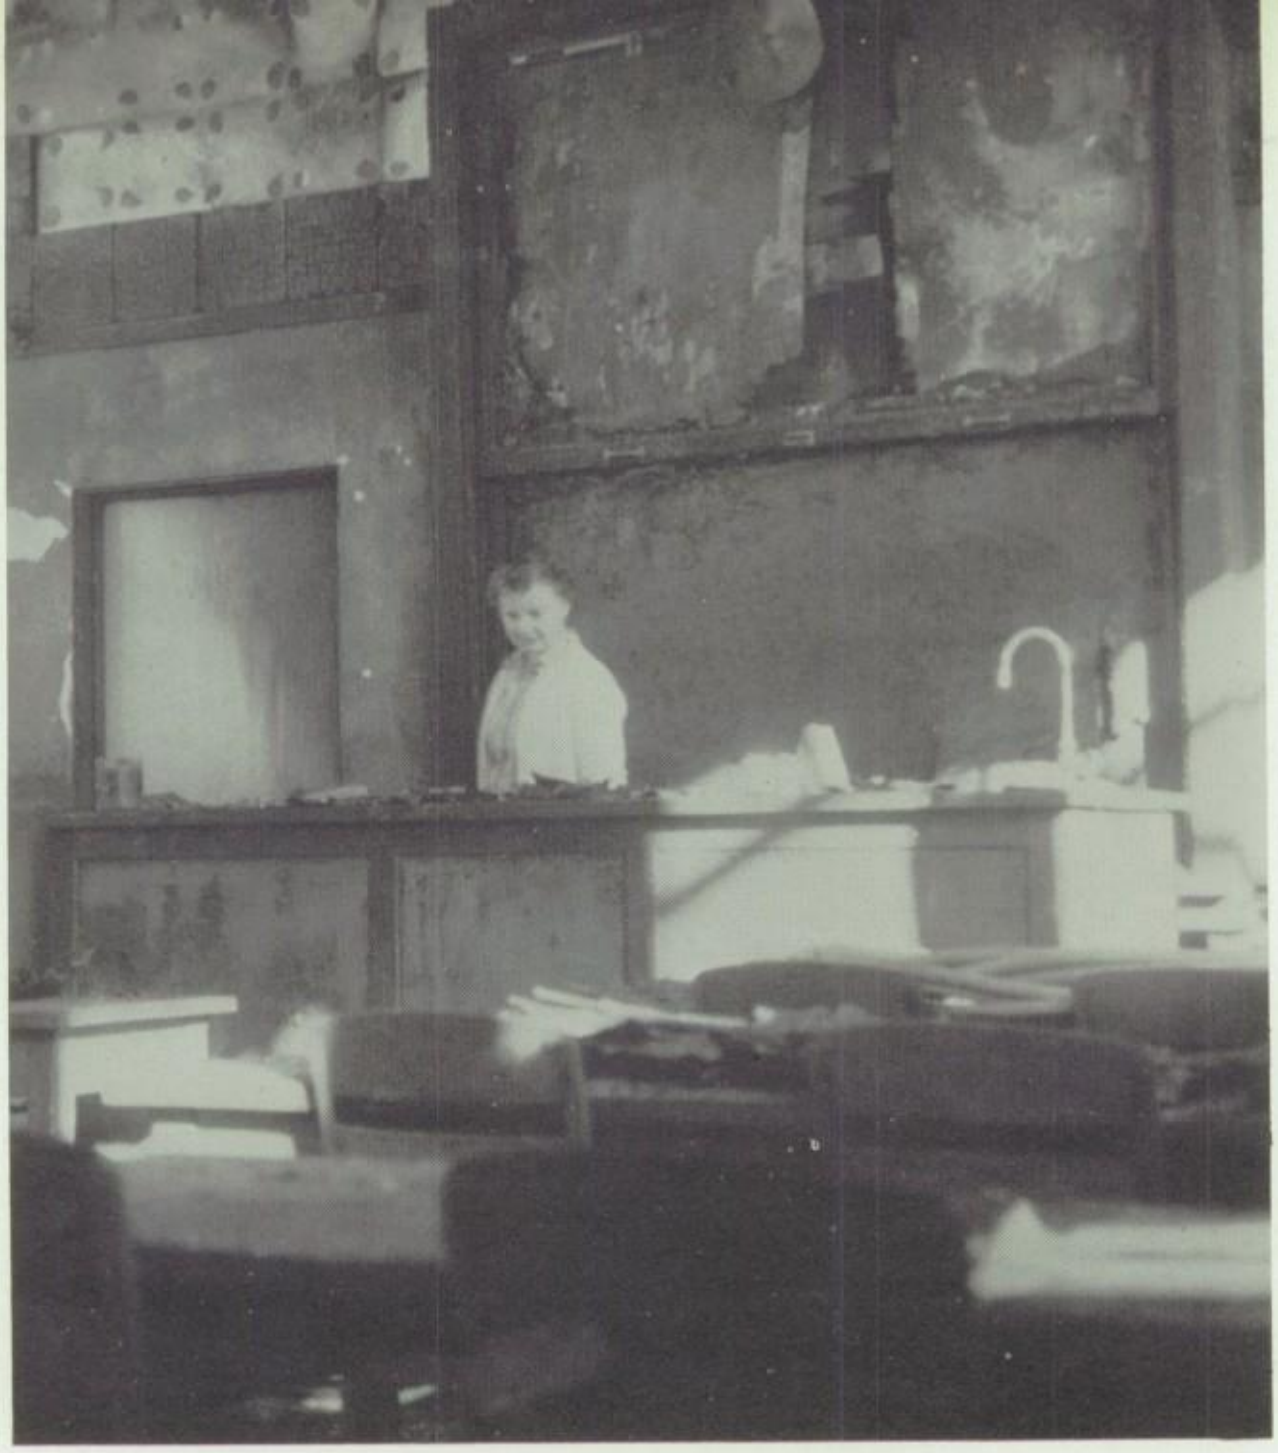
The 500 wing before disaster.

One cold Friday morning in January at 1:30, the 500 wing at Bellflower exploded with disastrous results.

Started in a chemical store room the fire destroyed ¾ of the science wing.

Unused fire extinguisher.

The fire damaged wing.



Miss Le Corre looks on in the once happy biology lab. Here many years of experiments went up in smoke.

Here is the only example of what was left in the chemistry lab that exploded.

Windows never to be opened again by teacher or students.

What's left in the chemistry building.

JUNIOR CLASS HISTORY

The Class of 1964 started the year with the first football sock hop of the season.

In September, we received our Junior sweaters, which were beige trimmed in dark brown. In January, our Senior rings arrived, and according to tradition, we wore them up-side-down for the rest of the year.

For a money making project, we sponsored the second Donkey Basketball game performed at Bellflower High School. This game was between our Bellflower faculty and the faculty from Mayfair High.

The highlight of the year was the successful Junior-Senior Prom, held at the Breakers International Hotel in Long Beach.

SOPHOMORE CLASS HISTORY

The Sophomore class of 1963 was well known for their great school spirit and fine leadership. They successfully sponsored an activity night and helped tremendously with the preparations for the successful Homecoming festivities. Their participation in the United Fund Drive was greatly appreciated and although they didn't win, their fighting spirit upheld the "never quit" attitude at Bellflower High. These are just a few of the many great activities which were sponsored by the graduating class of 1965.

With great respect and honor we dedicate our class to one of the many great ones which have participated in making Bellflower High School the paramount of high schools. As people proud of our class, we, the class of 1965, are looking forward to greater and greater achievements.

FRESHMAN CLASS HISTORY

The Freshman Class of 1962-63 has donated their time and services for the benefit of their class. They have contributed to school spirit by sponsoring one of the finest activity nights of the year and doing a beautiful job of decorating the gym. They also supported their class by raising the most money for the United Fund Drive, winning Senior Square for a day. If they continue at their present pace, they will no doubt be one of the best graduating classes of Bellflower High School.

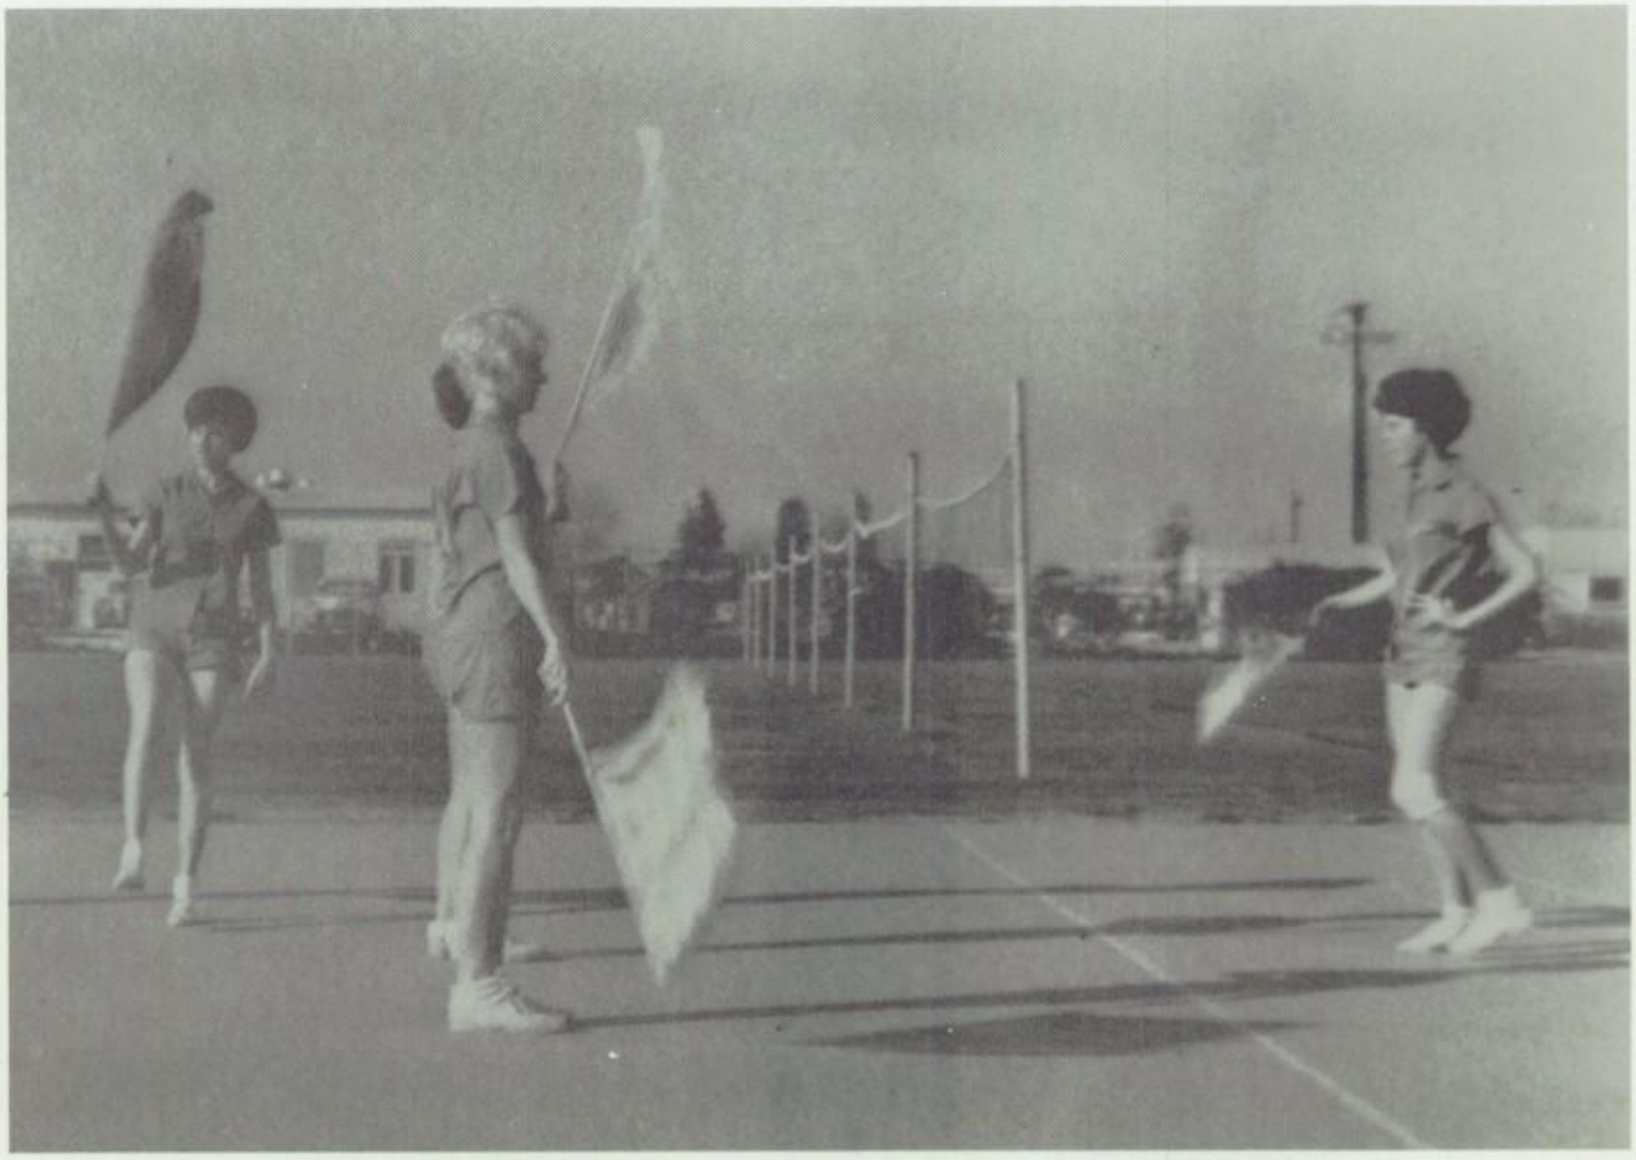
Look around and you may see a future yell leader, or two.



Some of the girls put in a little flag practice.

"Give me that! It's mine!"

Hockey is a running game.

And she's off! With the opposition in wild pursuit.

Several of the girls participate in Archery. It is held during the 3rd quarter and taught by Miss Louise Felknor. Janet Sanford is the Manager.

Shirley Press takes a lesson.

Lady Marion? ?

Basketball or foot race?

A good Guard Position?

The Annual Staff would like to express our sincere appreciation to all the people who helped make this book possible: to the many faculty members and administrators for their patience and co-operation in many ways and to several students for their time and effort spent "for the cause."

Staff members have been among the first to arrive at school and the last to leave when deadlines were close at hand. Often times the work has gone on far into the night. Tom Allison has done a large percentage of the photography and Jeff Sherwood and Mike Richardson did the drawings.
